- Learn more about managing plant and animal habitat on your property
- Gain practical, hands-on skills, knowledge and resources
- Hear from other landholders and experts in the field
- Connect with other property owners across the region

SPRING 2015 WORKSHOP SERIES

Sunday 2 August - "Living with Fire & Wildlife", 10am – 3.30pm, Strangways – understanding how to balance the threat of fire risk and still maintain, or enhance, biodiversity.

Sunday 30 August - "Biodiversity in the Paddock", 10am – 3.30pm, Maldon – identifying what biodiversity is and how it works at a practical level, on a property and landscape scale, and ways to optimize it.

Sunday 13 September - "Conservation Fencing", 10am – 3.30pm, Yandoit – undertaking exclusion and conservation fencing; how to design, place and construct a fence or plot and monitor the results.

Sunday 25 October - "Back from the Brink", 10am – 3.30pm, Newstead – managing problem areas, especially weeds, in regeneration projects, working at the property and landscape level, across private and public land.

You may choose to attend one, some, or all of the sessions.

All sessions include morning tea, lunch, session notes and handouts, and follow up web-based resources.

*COST: Single workshop - \$30 per person (or \$20 for Concession and Connecting Country members)
